For one year post your application approval, you are under probation for membership approval. To acive this goal, we ask that you strive to be a valuable member of our Club. To that end, your first responsibility is to keep this sheet and, after demonstrating you have accomplished the each goals listed, that you get a member to sign off for that goal. When all goals have been signed off, give the completed sheet to any Executive Officer at least two weeks before the business meeting (typically on your one year anniversary of your application approval, when the applicant will voted on for having completed the probationary period and demonstrated himself/herself to meeting the Clubs goals as a new member.
